The Honorable Peter M. Flanigan
Assistant to the President for
International Economic Affairs
Executive Office Building
Washington, D. C. 20500

Dear Pete:

This is just a note of thanks for the briefing materials on the upcoming Washington energy conference. I am sure that my staff working on the energy problem will find it quite helpful. I have been very impressed with the close working relationship between the policymaking departments and the intelligence community on the whole energy question, especially since the current crisis began last October.

Sincerely,

W. E. Colby
Director
